GENERAL BEST PRACTICE FOR ASSEMBLY:

Read all instructions before starting

Clear a flat covered space to begin assembly

Always best to do it with a friend

Note that hardware required is provided for every step

Pay attention to orientation

Letter of the part corresponds to a sticker on the product

Number of the hardware corresponds to its letter in the package

Helpful hints provided along the way

Retain these assembly instructions for future reference.

WARNINGS:

Use the correct bolts as indicated. All bolts should be hand tightened until the complete piece is assembled (This will make the assembly process much easier). Once the piece is fully assembled, then go back and tighten all bolts with provided tool.

Regularly check hardware and tighten if necessary.

Use the correct bolts as indicated. **Do not tighten any of the bolts until the table is completely assembled.**

Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.

Keep children and pets away during assembly. This item contains small parts that can be swallowed by children.

Children should always be under direct adult supervision while using this product.

The table is not to be used for standing purposes and will not function as a stool or step-ladder.

Standing on or misuse of table may result in damage or injury. Use on even surfaces only.

MAINTENANCE:

Wash frame with mild soap and water, rinse thoroughly, and dry completely. Do not use bleach, acid, or other solvents on the frame .

We recommend the use of furniture covers when not in use.

Inspect and tighten all of the bolts and fasteners on a regular basis to ensure the proper performance and safety of your table.

In order to prolong the life and beauty of your table, we recommend that it be stored in a dry and protected area during off season periods.
