# GENERAL BEST PRACTICES FOR ASSEMBLY:

---

- Please read and understand this entire manual before attempting to assemble or install the product.
- Before beginning assembly of product, make sure all parts are present. Compare parts with package contents list and hardware contents list. If any part is missing or damaged, do not attempt to assemble the product.
- Some parts may contain sharp edges. Wear protective gloves if necessary, during assembly.
- Pay attention to the parts orientation.

---

## WARNINGS:

---

- Do not assemble the planter on sandy, muddy or loose soil, as stakes do not have enough anchorage in these types of soil.
- Keep all children and pets away from assembly area. Children and pets should be supervised when they are in the area of the construction.
- Any assembly or maintenance of the product must be carried out by adults only.
- If any scratch paint, please touch up to prevent rusting.

---

## WARRANTY:

---

### WHAT IS COVERED?

The limited warranty is extended to the original purchaser and applies to material and manufacturer's defect provided the item is maintained with care and used only for personal, residential purposes.

Warranty: 6 months

---

## MAINTENANCE:

---

- Steel components for this planters are treated with rust inhibiting paint that protects it from rusting. However, due to the nature of steel, surface oxidation (rusting) will occur if these protective coatings are scratched. This is not a defect and thus not covered by the warranty.
- To minimize this condition, it is recommended to use care when assembling and handling the product to prevent scratching the paint. Should any scratching or damage occur, it is recommended to cover the scratch immediately with rust inhibiting paint (not included).
- When not in use, store in a cool, dry area.
- Do not use bleach, acid, or other abrasive cleaners on the wicker or frame parts.
- Keep instruction manual for future reference.
