# GENERAL BEST PRACTICES FOR ASSEMBLY:

- Read all instructions before starting.
- Clear a flat covered space to begin assembly.
- Always best to do it with a friend.
- Note that hardware required is provided for every step.
- Pay attention to orientation.
- Letter of the part corresponds to a sticker on the product.
- Number of the hardware corresponds to its letter in the package.
- Helpful hints provided along the way.
- Retain these assembly instructions for future reference.

## WARNINGS:

- Regularly check hardware and tighten if necessary.
- Use the correct bolts as indicated. Do not tighten any of the bolts until the table is completely assembled.
- Do not sit or stand on this table.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- Keep children away during assembly. This item contains small parts that can be swallowed by children.  
Children should always be under direct adult supervision while using this product.
- Table is not to be used as a seating surface. Improper use of this product may result in injury.

## MAINTENANCE:

- Wash frame parts with mild soap and water, rinse thoroughly, and dry completely. Do not use bleach, acid, or other solvents on the frame parts.
- Inspect and tighten all bolts and fasteners on a regular basis to ensure the proper performance and safety of your table.
- When moving the table, lift. Do not drag this table.
- We recommend the use of furniture covers when not in use.
- In order to prolong the life and beauty of your table, we recommend that it be stored in a dry and protected area during off season periods.
